YourCity.MD Awards \$1,000 to Local Cincinnati Resident for Providing Patient Feedback on Recent Doctor Visit

CINCINNATI – January 21, 2008 – YourCity.MD LLC (www.YourCity.MD), healthcare’s local navigation system with over 300 city-specific and physician-recommended Web sites across the U.S., today announced that it has awarded local Cincinnati resident Ann Leistner with \$1000 for providing feedback about her recent doctor visit on her local YourCity.MD site, www.Cincinnati.MD.

To-date, approximately 10,000 Cincinnati area residents have provided doctor ratings and patient feedback at www.Cincinnati.MD. To see the winner, Ann L., accepting her check visit http://www.cincinnati.md/contest_winner.aspx.

“We want to encourage everyone to provide feedback on their doctors at their local YourCity.MD Web site. The more feedback provided, the more free patient experience information available to help others in the local community – neighbors, family and friends - make better healthcare decisions and receive better quality of care,” said Joe Benza, Jr. CEO and Founder of YourCity.MD LLC. Find your own local city by visiting www.YourCity.MD or type in your city name with an .MD extension.

About YourCity.MD:

Founded on the principle that healthcare is and should be local, YourCity.MD LLC is healthcare’s trusted local navigation system, helping consumers in over 300 cities find not just medical content, but linking information directly to the appropriate local healthcare resource, local provider and help needed to solve a medical problem. Easy to find with its specific domain names with the .MD extension, YourCity.MD helps consumers translate medical content into actionable information, pointing the way to local healthcare resources and doctors at their time of need.

YourCity.MD helps providers grow and improve their medical practice through free, low-cost online tools and electronic services and a third party, independent doctor rating/patient feedback system that serves as a dependable source of referrals.
